Aishwarya College of Education Sansthan, Udaipur (Rajasthan), accredited by NAAC, approved by UGC under section 2(f) and 12(B), permanently affiliated to Mohanlal Sukhadia University, Udaipur (NAAC accredited grade 'A' University) is pleased to announce National Conference on theme ECONOMIC TRANSFORMATION AGENDA FOR HIGHER SUSTAINABLE GROWTH, GREATER EMPOWERMENT AND BETTER QUALITY OF LIFE (ETA-2017) during November 17-18, 2017 under the aegis of National Institution for Transforming India (NITI Aayog), Government of India.

About the conference

India has come a long way in terms of economic performance and reforms. The long-term growth prospective of the Indian economy is positive due to its young population, corresponding low dependency ratio, healthy savings and investment rates, and increasing integration into the global economy. But there is still a journey ahead to achieve both dynamism and social justice. India is the world's largest democracy, home to the second-largest English-speaking population in the world and boasting a diversified and rapidly growing economy. The growth in GDP during 2016-17 was about 7.0 which is set to move up due to policy changes envisaged in NITI Aayog's document.

Projected to be the economic advanced nation by 2030 the republic of India is considered as one of the possible emerging superpowers of the world. While this provides great opportunities, it also poses challenges before the nation. The country must overcome many of the economic, social, and political problems before it can be considered a superpower.

Aims and objectives

1. To identify significant input and action parameters during 2017-20 playing role in the nation's growth and development.
