Jointly Organized by

Aishwarya CSI Student Branch
Aishwarya Institute of Management and IT, Udaipur
&
CSI Udaipur Chapter

COMPUTER SOCIETY OF INDIA

Formed in 1965, the CSI has been instrumental in guiding the Indian IT industry down the right path since its formative years. Today, the CSI has 71 chapters all over India, 418 student branches, and more than 90,000 members, including India's most famous IT industry leaders, brilliant scientists and dedicated academicians.

The mission of the CSI is to facilitate research, knowledge sharing, learning and career enhancement for all categories of IT professionals, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community. The CSI is also working closely with other industry associations, government bodies and academia to ensure that the benefits of IT advancement ultimately percolate down to every single citizen of India.

AISHWARYA CSI STUDENT BRANCH

Aishwarya CSI Student Branch was established in 2011 to provide the students of the college with an opportunity to be a part of this distinguished fraternity. The aim of the **Aishwarya CSI Student Branch** is to facilitate research, knowledge sharing, learning and career enhancement for all its students, helping them to integrate into the IT community. Since inception it has been actively working in enhancing student status in the field of Information and Communications Technology, through vital Industry Academic Interaction and regular technical activities.

Aishwarya Education Society is a registered society formed in the year 1996. It has earned its reputation as a well established Institute providing quality education. The Institute has been awarded the prestigious ISO 9001 certificate for quality in the year 2003 and is the only smart campus in south Rajasthan with complete automation. It has affiliations and tie ups with All India Council of Technical Education (AICTE, New Delhi), Rajasthan Technical University, (RTU, Kota), National University of Educational Planning and Administration (NUEPA, New Delhi), National Council of Teacher Education (NCTE, New Delhi), Government of Rajasthan, Jaipur (India), Mohanlal Sukhadia University, (MLSU, Udaipur), DOEACC (An Autonomous body of Ministry of Information Technology, Govt. of India) and Microsoft IT Academy. AES is working towards the innovative development to facilitate flow of knowledge, ideas and information. It aims to nurture upcoming professionals, leaders and entrepreneurs through cutting edge methods with global perspectives and values through continuous improvement.
