ABOUT UDAIPUR

The city of Udaipur is a lovely land around the azure water lakes hemmed in by the lush hills of the Aravalis. Drenched with heritage and beauty, Udaipur is a fascinating blend of sights, sounds and experience-an inspiration for poets, painters and writers. The city has a lot to offer in terms of tourism, business and education. It was established by Maharana Udai Singhji and since then the Mewar dynasty has been the cultural custodians of the city. Being centrally located in Rajasthan it has moderate climatic conditions and easy access by road, rail and air. Among numerous exquisite locations to visit in Udaipur are City Palace, Jagdish Temple, Bharatiya Lok Kala Museum, Sahelion Ki Bari (Garden of the maids of honour), Pratap Memorial, Fateh Sagar, Pichhola Lake, Ahar and Sajjan Garh to name a few.

AES is working towards the innovative development to facilitate flow of knowledge, ideas and information. It aims to nurture upcoming professionals, leaders and entrepreneurs through cutting edge methods with global perspectives and values through continuous improvement. This Conference is the fifth conference in the direction to consistently stimulate the Research and Development activities.

OBJECTIVE OF WORKSHOP

Due to the globalization of business, industrial organizations all over the world have been experiencing tremendous competitive pressures. Consequently, hardcore professionals are required to man the important positions. Therefore, the quality of professionals produced by institutions of higher learning has to be of the top order. At present the professional education is lacking practical approach. More emphasis is given to the delivery of theoretical knowledge and skill development aspect is ignored.

Against this backdrop a two days workshop on "A Success Mantras for BIZ-IT" is going to be organized by Aishwarya Institute of Management & IT on 2nd & 3rd November 2012 at Udaipur. The workshop has twin objectives of catering to the needs of both Management and Information Technology students as they will be imparted training in useful success mantra by top academic and industry professional of the country. The workshop will help them become more employable and compatible with the industry requirements.
