Oath Taking Ceremony of Student Council

An oath taking ceremony was organized for the students' council on 3-08-2013 in the College Campus. The program co-ordinator was Ms. Sunita Bhati, Assistant Professor, Aishwarya College.

The Program commenced by lighting of the lamp by the chief guest, Dr. Dharmesh Jain, Advisor, Dainik Bhaskar and Member of the bench of Magistrates Child Welfare Committee.

The names of student in the council were announced and they are as follows:

President	Prateek S. Ratnu	BBM V Sem.
Vice President	Giri Raj S. Rathore	B.Com. II Yr.
Secretary	Swati Dodeja	BCA III Yr.
Joint Secretary	Abdul Mannan	B.Com. II Yr.
Treasurer	Raguveer Ameta	BCA II Yr.
Editor	Bindal Dabriya	B.Com II Yr.
Sub Editor	Ayushi Soni	B.Com. I Yr.
Sports Director	Devendra Chauhan	BBM I Sem
Cultural Director	Prashant Soni	BCA I Yr.
	Mohita Verma	BCA I Yr.
Media Director	Manish Suthar	BCA I Yr.
Discipline Director	Lochan Jain	B.Com. I Yr.
Social Director	Abhilasha Chhajed	BBM I Sem.
Academic Director	Kiran Dangi	B.Com. I Yr.

The selected students were awarded with their respective badges and they took oath administered by the chief guest.

After the oath, Dr. Dharmesh Jain put his views on our election system and he was highly impressed by the system of election in our college. He further mentioned about leadership qualities and its importance in the students' council. He was also confident about the students of Aishwarya College regarding their bright future. He motivated the students by showing faith in them and he also laid emphasis on "nothing is impossible".

He said that by hard and determined work, anything can be achieved. He also talked about the relationship between a teacher and a student. If a student takes the advice of a teacher sincerely, he can become a great human being along with achieving huge success.

After his speech, Prateek S. Ratnu, President of the student council was called upon to share his views with the audience. He showed his gratitude towards the college and students for selecting him for the said post. He promised to be a good and supportive leader and to abide by the rules and regulations of the college.

The guest was presented a token of respect followed by vote of thanks by Ms. Swati Dodeja.

WORLD YUVA DAY

Aishwarya P.G. College celebrated World Yuva Day, by organizing an extension lecture on "Cloud Computing". The session began by lighting of the lamp by a MCA student.

The keynote speaker of the session was Mr. Sourabh Shandilya. He explained that prior to cloud computing simple database was used, which had certain limitations, as a result, the concept of cloud computing was developed. It works on virtualization and it also connects multiple servers and then creates a replica of data. He also mentioned that cloud computing supports multiple applications.

The various characteristics of cloud computing as explained by him were:

- It is a client server model
- Grid computing
- Mainframe computing

Various technologies used in cloud computing as mentioned by Mr. Sourabh Shandilya were SAAS, PAAS, LAAS etc.

With this the session concluded and students raised their queries and were satisfied by the answers provided. Students were filled with confidence regarding their knowledge enhancement.

The event in charge was Ms. Sonam Garg.

PARENTS-TEACHERS MEETING

A parents-teachers meeting was organised on 24-08-2013.

Students of B.com., BBM and BCA attended the meeting with their parents. The number of parents who visited the meeting was thirty seven, comprising nine from BBM, eleven from BCA and seventeen from B.Com.

The parents were informed about their ward's attendance and overall performance in the college. They were satisfied by the response they received from the respective faculties of the college.

Feedback forms were filled by the parents and then they proceeded for the refreshments. The parents were also informed of the schedule of the next meeting.

Independence Day

Aishwarya P.G. College, Udaipur, celebrated 67th Independence Day. The program commenced by flag hoisting by the Chief Guest, Dr. Sharad Shrivastav, Dean, Social Science and Humanity, MLSU. Other guests were Mr. G.S. Toliya, Branch Mangager, Union Bank of India and Mr. Lalit Choudhary, Finance Dept., Union Bank of India, Udaipur

Prof. O.P. Joshi welcomed the guests. This was followed by a group song by Students of Aishwarya Kids Valley School.

The guest congratulated everybody for celebrating 67th Independence Day of the country. He appreciated the students for the arrangements made. He mentioned about the patriotism and the feelings associated with the country. He urged the youth to contribute their maximum for the benefit of our nation.

He awarded various prizes to the Best Student of the college - Mr. Thana Ram (BSTC), Best Sports Person - Mr. Kamlendra Devra (BSTC) and also the Best Faculty to Ms. Sunita Bhati. These awards were sponsored by Union Bank of India. A token of respect was presented to the respected guests.

The program continued with different performances by the students like song, poems, speech etc. A special performance was given by Ms. Neetu Agrawal, Faculty Computer Science.

The program concluded by singing of the national anthem.

All were filled with enthusiasm and patriotism.

Information & Communication Technology

The Potential of each technology varies according to how it is used. Haded and Drasler identify at least five levels of technology used in education: Pretension, demonstration, drill and practice, interaction and collaboration.

Each of the different ICTs - print, audio/video cassettes, radio and TV broadcasts etc. Computers or the Internet may be used for pretension and demonstration. The most basic of the five levels, except for video technologies, drill and practice may likewise be performed using the whole range of technology.

– **Juned Ulla Khan,** BCA, I Yr.

वर्तमान समय में Information Technology का बहुत विकास हुआ है। और आज के समय को देखकर यह लगता है कि भविष्य में इसका प्रभाव और भी देखने को मिलेगा। आज IT के जो साधन है जैसे Computer, Internet, Mobile phone, Telephone, Electronic Branch Exchange, Fax etc ये सूचना तकनीकी को आसान बना रहे हैं। इन सभी साधनों का प्रयोग हर क्षेत्र में हो रहा है। सूचना तकनीकी का प्रभाव शिक्षा पर हो रहा है जिससे शिक्षा और भी आसन हो गई है। इन्टरनेट के माध्यम से शिक्षा के हर पहलू को सुधारा गया है शिक्षा से सम्बन्धित हर सूचना हमें इन्टरनेट के माध्यम से मिल जाती है। इन्टरनेट IT का एक महत्वपूर्ण अंग है। जिससे सूचनाओं को आदान-प्रदान किया जाता है। शिक्षा का प्रसार IT से बहुत आसान हो गया है। शिक्षा के क्षेत्र में एक अंग ऐसा भी है जिससे शिक्षा के हर पहलू को सुलझाया जा सकता है-कम्प्युटर। कम्प्युटर का शिक्षा में महत्वपूर्ण स्थान है। कम्प्युटर से शिक्षा का और भी विकास हर क्षेत्र, हर देश बल्कि सारे संसार में हुआ है जिसका प्रभाव आज वर्तमान समय में हम देख सकते है। IT का एक और अंग जिससे सूचनाओं का आदान-प्रदान आसानी से हो जाता है वह है मोबाईल फोन। इसके माध्यम से सारे संसार को हम जेब में रख सकते है। मोबाईल में इन्टरनेट भी होता है जिससे हमे हर क्षेत्र कि सूचनाएँ मात्र मिनटो में मिल जाती है। मोबाईल और इन्टरनेट के कुछ बुरे प्रभाव भी पड़ते है। कुछ लोग इसका गलत प्रयोग भी करते है जिससे समय बर्बाद होता है।

– **Vijay Suthar,** BCA, I Yr.

ICT : Information & Communication Technology-ICT has a number of useful applications in the field of education. Its use makes the tasks easier, reliable and easily accessible every time. These modern techniques save the time of an individual. The extent of using these modern techniques differs from one person to the other.

In the field of education the modern equipments starting from the very first calculator to the huge source of ICT - internet, everything has been used since a long time and will always be.

Some of the equipment used in the field of education are:

(i) Calulator, (ii) Mobile Phones (iii) Xerox Machines (iv) Computers (v) Radios (vi) Television etc.

All of the above are used in a number of ways to get different types of information.

They are also a good example of communication techniques.

Some of the ways of ICT used in education provided by institutions are:

- Projector in classrooms
- Internet facility through wifi
- Computers provided to the student through labs
- Xerox facilities
- Smart classrooms & Smart Card
- Speakers for announcement in classrooms etc.

While some of the innovative ways used by students itself are:

- Use of cell phones to take pictures of notices
- Many time I have used my cell phone to call my teachers in order to solve my queries.
- Use of internet to make the projects & assignments.
- Use of cameras & mobile phone whenever we go on an educational tour out of the campus. These photos give a brief knowledge about the educational events.

Even there are a number of ways of using these modern equipment to make education more interesting and easy to understand through a practical approach.

कर्म

कर्म ही सफलता तक पहुँचने का मार्ग है। अत्यन्त तीव्र इच्छा एवं उपयुक्त मानसिकता भी कर्म के अभाव में आपको मंजिल तक नहीं पहुँचा सकती है। ऐसा कहा जाता है 'ज्ञान ही शक्ति है'। परन्तु ज्ञान कर्मयोग की तीव्र इच्छा के बगैर बेकार भी है। आपके पास ज्ञान का भंडार हो सकता है मगर इसकी सार्थकता उसके समुचित उपयोग में ही है। जीवन में सफलता प्राप्ति के लिए निर्मित ढेरों साहित्य एवं नुस्खे भरे पड़े हैं परन्तु उन पर अमल किये बगैर हम जीवन में वहीं खड़े रहते हैं जहाँ हैं।

जैसे हर व्यक्ति में एक विशिष्टता होती है उसी प्रकार उसकी योग्यता भी होती है जो कि व्यक्ति दर व्यक्ति भिन्न होती है। कुछ लोग किसी कार्य में दक्ष तो कुछ ढीले होते हैं। एक बात तो तय है कि पूर्ण विकास की तीव्र लालसा होनी चाहिए।

समुचित ज्ञान एवं क्षमता के साथ-साथ बार-बार अभ्यास ही सफलता का मंत्र है। सर्जन या डॉक्टर अपने जीवन के उच्चतम शिखर पर इसी मंत्र के सहारे पहुँचते है।

सीखने का सबसे तीव्र एवं सर्वोत्तम माध्यम किसी सफल व्यक्ति का अनुकरण है।

घोड़ों की रेस में घोड़ा बिल्कुल थोड़े से ज्यादा प्रयास से जीत जाता है। उसी प्रकार पठन-पाठन के दौरान थोड़े ज्यादा प्रयास से शिक्षण संस्थान से पास कर तुम स्वर्ण पदक या मोटी तनख्वाह पा सकते हो। विजयी लोगों के जीत का एक ही मंत्र है वो है काम। वे इस बात को भली-भाँति जानते है कि कर्म के बगैर कुछ भी नहीं हो सकता है। जीवन में जो चीज मायने रखती है वो है लगन और अभ्यास। सौभाग्य इन्हीं खूबियों का दूसरा नाम है। एक पुरानी कहावत है कि भगवान हर मनुष्य एवं जीव के भोजन की व्यवस्था कर देता है, मगर ध्यान रहे वह किसी के मुँह में नहीं खिलाता है।

–जोगिन्दर सिंह

Fresher's party

A Freshers party was organized on 30-08-2013 in the college campus. Students participated in it with zest and zeal. Old students welcomed the new students whole heartedly.

ACHIEVERS OF THE MONTH

Prashant Soni
BCA I Yr., Mr. Fresher

Mohita Verma
BCA I Yr., Ms. Fresher

Arva Khan
BBM I Yr., Best Dress

Bhagwat Pandya
BBM I Yr., Best Dress

Ravi Solanki
BCA I Yr., Time Punctual

Anushree Mukherji
B.Com. I Yr., Time punctual

Vijay Panchal
BCA III Yr.
Winner in Carom

Bharat
BCA III Yr.
Winner in Carom

Mehdi Hassan
BCA I Yr.
Winner in Chess
