**AISHWARYA COLLEGE
OF EDUCATION SANSTHAN**

EDITORIAL

It is with pride & elation at the accomplishments of the past year of the constituents of the Aishwarya Education Society over the last academic year that we bring forward the present edition of Reflections.

It is always a nostalgic experience to edit the Annual book of the Institution. One feels a rush of emotions & vigor recapping the events & achievements of the past academic year. The same happened with us while editing the present issue of Reflections.

In spite of great care taken in editing the present issue, a few errors may have occurred in the printed edition of the souvenir. We before hand express regret & offer our humble apologies for the same.

Finally, we would like to thank all the contributors who supported us in bringing out this Souvenir.
